26 Verandah Place
Application for a Certificate of Appropriateness to allow for a rear yard extension. Presented by Studio Schalk. Committee asked questions about visibility from public ways, chimney and skylight modifications, and finishes. Applicant confirmed that there will be no visibility from the surrounding streets, sidewalks, or the park across the street.

Given the scope of work and lack of visibility, Committee noted that the project could have been reviewed at LPC staff level.

Jerry: Motion to approve as presented.

Maddie: Seconded.
