Map: Atlantic Yards Redevelopment Sites

Planning with the Community

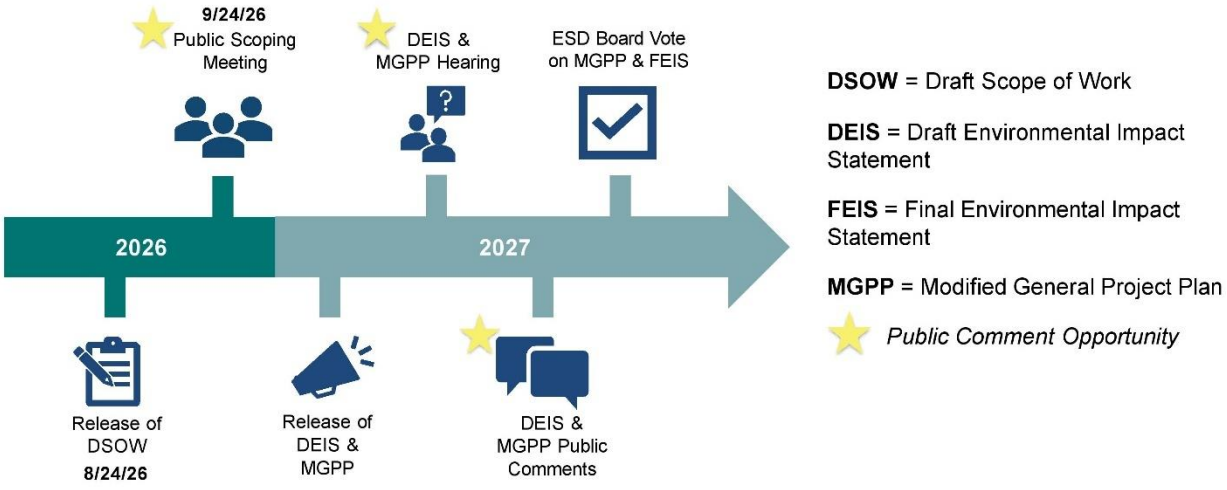

NYS Empire State Development (ESD) is grateful to the hundreds of community members who have participated in the community engagement process so far for Phase II of the Atlantic Yards Redevelopment Project. Your feedback has helped shape the Development Team's proposed plans for the next phase of Atlantic Yards.

How We've Worked Together So Far

- **Community Outreach:** Canvassing, flyering, and meeting directly with local stakeholder groups.
- **Listening & Learning:** Bringing neighbors together across two in-person and two virtual public workshops, as well as a town hall, to hear the community's top priorities and answer questions.
- **Gathering Your Feedback:** Launching an online survey to hear directly from residents and publishing a Community Engagement Report summarizing the main takeaways from ESD's engagement process.
- **Community Engagement Report:** Available at **esd.ny.gov/AtlanticYards**.

Upcoming Ways to Get Involved

- **Get Email Updates:** Sign up for news and event reminders by e-mailing: **AtlanticYards@esd.ny.gov**.
- **In-Person Workshop:** Join ESD in November (date TBD) for an interactive design workshop on the project's proposed public open spaces.
- **Local Events and Meetings:** ESD will be engaging various local stakeholder groups throughout the summer and fall to discuss the proposed plan and project timeline, and answer questions.
- **Public Comment Opportunities:** Share your feedback during public hearings and open comment periods (see below).

Atlantic Yards Redevelopment: Phase II

NEW YORK STATE OF OPPORTUNITY. | Empire State Development

Key Elements of the Phase II Proposal

- **Additional Housing Supply:** The proposed plan will deliver up to 5,600 new homes, bringing the project's overall total (including units already built) to as many as 8,812 units.
- **More Affordable Homes:** Up to 1,242 of the new homes in Phase II will be income-restricted, bringing the overall project's total to as many as 2,616 income-restricted units.
- **Deeper Affordability:** The maximum cap for income-restricted units in Phase II has been lowered from 165% of area median income (AMI) to 120% AMI. The proposed plan provides income-restricted units across a 40% to 120% AMI range.
- **Family-Sized Homes:** At least 30% of the new homes will be family-sized (2 and 3-bedroom units).
- **Community Facilities:** Over 20,000 square feet of community facilities, including an intergenerational community center in building B6, and additional community spaces in B5 and B10, will collectively support a wide range of public uses and activities throughout the Atlantic Yards community. (See map below.)
- **New Open Spaces:** Over 5 acres of new publicly accessible open spaces are proposed across the project site.
- **Retail**: Up to ~140,000 square feet of retail spaces.
- **Construction Timeline:** Following public approvals, groundbreaking on the first building is anticipated in 2028.

Sample Household Income Levels for Income-Restricted Units (40% to 120% AMI)

- **1-Person Household:** $47,520 – $142,560
- **4-Person Household:** $67,840 – $203,520

**Based on the 2026 area-median income (AMI) for the NYC Region. Actual income amounts will depend on the AMIs at the time of units being leased.*
